## NNLM MAR Health Professionals and Public Health Workers SAG Meeting Minutes January 28, 2019

TOPIC	DISCUSSIONS/ RECOMMENDATIONS	ACTIONS TO BE TAKEN
Attendees	Carol Nicholas, Debra Youngfelt, Olivia Tsistinas,	n/a
	Erin Streiff, Chad Thomas, Marlowe Bogino & Lisa	
	Fiorentino	
Updates	Carol Nicholas, with Greater Mercer Public Health	Seger will connect Tsistinas with the Central NY
	Partnership: recently completed the community	AHEC since they are relatively close to one another
	health assessment she was working on and now	and do similar work with introducing students to
	hopes to be out in the community more engaging	health careers
	with organizations to reduce silos. One of the	
	partners is the Trenton Public Library.	Seger will follow up with MAR staff regarding
		bookbags of health information Nicholas wants to
	Debra Youngfelt from the NE PA AHEC: They are	give out at the public library to see if they have any
	working on developing an opioid module for their	suggestions- books, DVDs, etc. Seger will also
	community health worker training. They are	follow up regarding Engage for Health facilitation.
	currently piloting it and will be turning it into a	
	webinar over the summer for anyone to view.	
	Olivia Tsistinas with Upstate Health Sciences	
	Library: They have conducted a three day health	
	professions camp for middle school students in the	
	past and are working on this again because there is	
	interest. They partner with the area resource	
	center who helps with recruitment and	
	transportation. The camp helps students start to	
	picture themselves in health careers.	
	Erin Streiff with Franklin County Public Health:	
	They have a grant from the EPA to get technical	
	assistance with an initiative to increase vegetable	
	consumption through activities such as farm to	
	table interventions. They are having Mark Fenton	
	come speak with the organization regarding other	
	areas of focus.	
	Lisa Fiorentino with Bradford Center for Rural	
	Health Practice: They are finishing a three-year	
	project related to immunization.

	Charl There was with the Dhiladelphia December at af	
	Chad Thomas with the Philadelphia Department of	
	Public Health: They have been doing a bookmark	
	initiative with the public libraries where they	
	supply bookmarks on health topics such as	
	hepatitis, asthma, and extreme heat. There has	
	been a great deal of interest in these and they	
	have been a cheap way to educate about health at	
	the library. He is currently working on a report	
	about the project.	
SAG Updates	Marlowe Bogino from the Delaware Department of	n/a

	Feedback from the group: MAR grants are very	grand and processing years
	easy to apply for, the larger NLM grants and much	
	more complicated. Some use a template to	
	organize ideas and timeline before writing the	
	narrative portion. Others would potentially be	
	interested in participating in this program for	
	grants they are considering in the future.
